

Our Success Stories of Children

Parveen Sharma

Everyone has hardship they encounter in their lives but when someone with a disability is able to overcome all this and succeed, it is truly a blessed thing. Parveen Sharma is a twenty year old boy who suffer form low mental ability. His parents were convinced to admit him in the Navjyoti School. At that time his developmental mile stones were lagging & he needed guidance & support for his activities of daily living. he had no academic level & his world was limited to his home & relatives. Under the guidance and consistent monitoring of the special educators Parveen firstly mastered his ADL activities and learned little functional academics. His interest was more in doing vocational work and participating in games & sports. He was very fond of driving cycle & for that he persistently made sincere efforts to achieve proficiency in driving the cycle. Initially he participated in cycle race & other sports activities at District level & won gold & silver medals. In August 2009 he participated in Basketball event at Barely & won first Prize. At Bhopal in November 2009 he stood first in event to "Power Lifting". In February 2010, he participated I cycle race at Jamshedpur (Jharkhand) & won first Prize & from here onwards his name came in line light for participating in the team for International level. In June 2010 at Pondicherry and in February 2011 at Rohtak he again won first Prize in the cycle race & his final selection was made to Participate at International Level. From 20th June to 4th June to 4th July 2011 he participated in cycle race at Athens, Greece & secured 6th Place in the cycling 15 k Road Race.

Today, Parveen is economically independent self-sufficient happy boy & has become a support to his family. Presently he is employed as "Ward Boy" in one of the Private hospital where his work performance is reported to highly satisfactory.

Success Story of Poonam Bhati

Poonam Bhati, daughter of Shri Mohan Das Bhati, resident of 3/630, Chopasani Housing Board, Jodhpur was born on 13th Jan. 1996. She was intellectually challenged by birth & her all milestones were delayed. Her parents started her education admitting her in a normal school but parents use to receive regular complaints about her poor comprehension, weak memory and difficulty in understanding the academic work, Due to her poor performance in the class, parents use to change her school, every now & then hoping that other school might improve her learning skills but the result use to be the same. On 12th May 2012, she was referred to our school for the admission. She was put in the Girls Special Class & was exposed for learning functional academics, kitchen activities, vocational work & co-curricular activities like dance, music, sports etc. She was found proficient in doing her daily routine work related to self care; she showed interest in doing academics (reading, writing, number, and time & money concept etc.) very little interest was shown in doing vocational work and participating in co-curricular activities. By nature she is very lazy, easy going & moody, never likes to do any physical work yoga exercises etc. in the school as well as at home. Due to her over weight & sluggish nature, she always exhibited reluctant attitude towards games & sports but inspite of her reluctant attitude, she was forcefully strongly motivate by our Master Trainer Mahesh Kumar Pareek sssss to participate in different games of Olympiad and was put on regular practice under the Supervision of our Master Trainer Mahesh Kumar Pareek.

On 11th, 12 & 13th September 2015, in BIIT'S College Pilani, district Jhunjhunu & in India- First time special Olympic Bharti introduced a new game "Floor Ball" & in this game four students from our school actively participated & poonam Bhati was one among them. Jethu Singh

The victory holds significance for Jethu Singh as he is a hearing impaired non-vocal 24 years old boy studying in our school since long time. At the time of his admission, he was unable to speak or comprehend anything because of his hearing disability. After joining the school, with the help of the special educators transition planning and communication methods, direct learning by using real objects, models and activity, explanation by writing, flash cards, reciting singles words and sentences, all this made him to express his feelings & excitements. He became one of our most obedient, sincere & dedicated student.

Along with academics, he showed keen interest in learning all kinds of vocations, games, sports and cultural activities & he actively participates in all these extra-curricular activities. Presently he has become proficient in making brooms, designer wax candles, chalks, garlands & many other craft articles & vocational centers.

He also excels in games & sports & actively participated in it at District and State level owning Gold & Silver medals. In the year 2012 he was selected for National Championship held at Chennai in the month of Feb. (17th to 22nd) he won Gold medals in the events **shot put (4kg)** and **200 meter race**.

Institute is proud of him for his excellent performance in the stream of vocation and sports & for his overall achievements.
